

# **Crestwood Estates Application for Modification**

For Your protection, inquire with the proper authority, either city or parish, regarding permit requirements before starting any work on your property. Projects involving new construction, additions, alterations, or any modification to the structural, electrical, heating, water, or gas or sanitary plumbing systems will most likely need a permit.

## **Incomplete Applications will cause a Delay in Processing.**

By submitting this form, I further understand and agree that no work on this modification request shall commence until written/digital approval of the ACC has been received by the property owner. I represent and warrant that the requested modifications strictly conform to the declaration of Covenants, Conditions, Restrictions, and Guidelines for Crestwood Estates Homeowners Association. I further understand and agree that as the property owner, I am responsible for complying with all city and/or parish building and zoning regulations.

**Applications *MUST* be sent in 5 Days before the scheduled start date of the project!**
